Set between the Gold Coast’s spectacular Broadwater and the Pacific Ocean, Sea World Resort is an idyllic location for conferences and events. Nestled in tropical gardens with sparkling water and mountain views this resort has so much more to offer than a basic function venue. Our Conference and Event team’s dedication and passion are reflected in the attention they give to you, and each and every detail of your special event.

Why lock your delegates away in a boring room when you can unleash their creativity in one of Sea World Resort’s stimulating venues. Sea World Resort is only a monorail ride away from special encounters with Sea World’s wonderful marine life. Start your day with an exclusive behind the scenes tour at Shark Bay or learn more about the beautiful dolphins at the Dolphin Discovery presentation.
